DEDICATION

We the students of Subiaco Academy dedicate this Annual to a man, a priest, who, having lived in this Community for a long period of time, has helped many of us and many of our predecessors spiritually, physically and intellectually.
We proudly present:

FR. STEPHEN ECKART, OSB.

S P I R I T

Participation

P

Subiaco expects participation, for through participation a boy learns to respect the ideas and opinions of others, and to work together for the betterment of all.

Involvement

I

Subiaco feels that involvement should be a total commitment that develops the initiative necessary to finish what you start.

Responsibility

R

Subiaco tries to develop a young man that does not have to be pushed to accomplish a desirable goal, one that understands the true worth of responsible actions.

Individuality

I

Subiaco stresses the individuality that is self-awareness; a person capable of thinking for himself; a strong link in the chain of society.

Teamwork

T

Teamwork is the combination of elements in an atmosphere best suited for the development of a "young Christian gentleman."

T R O J A N

Joe takes to the outside

Takes more than this to knock a Trojan down.

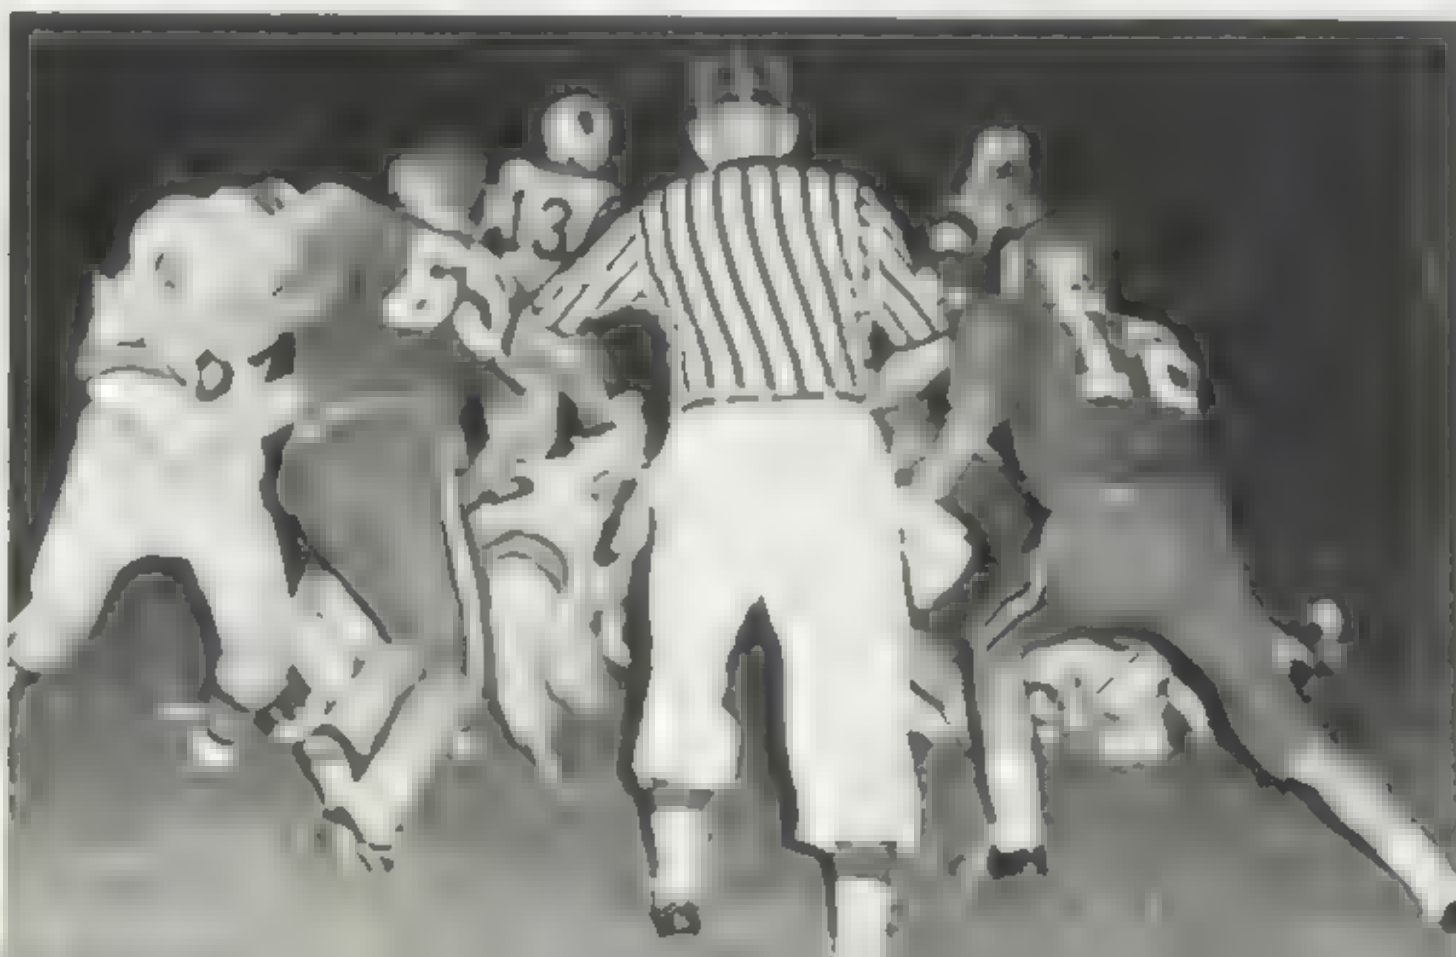

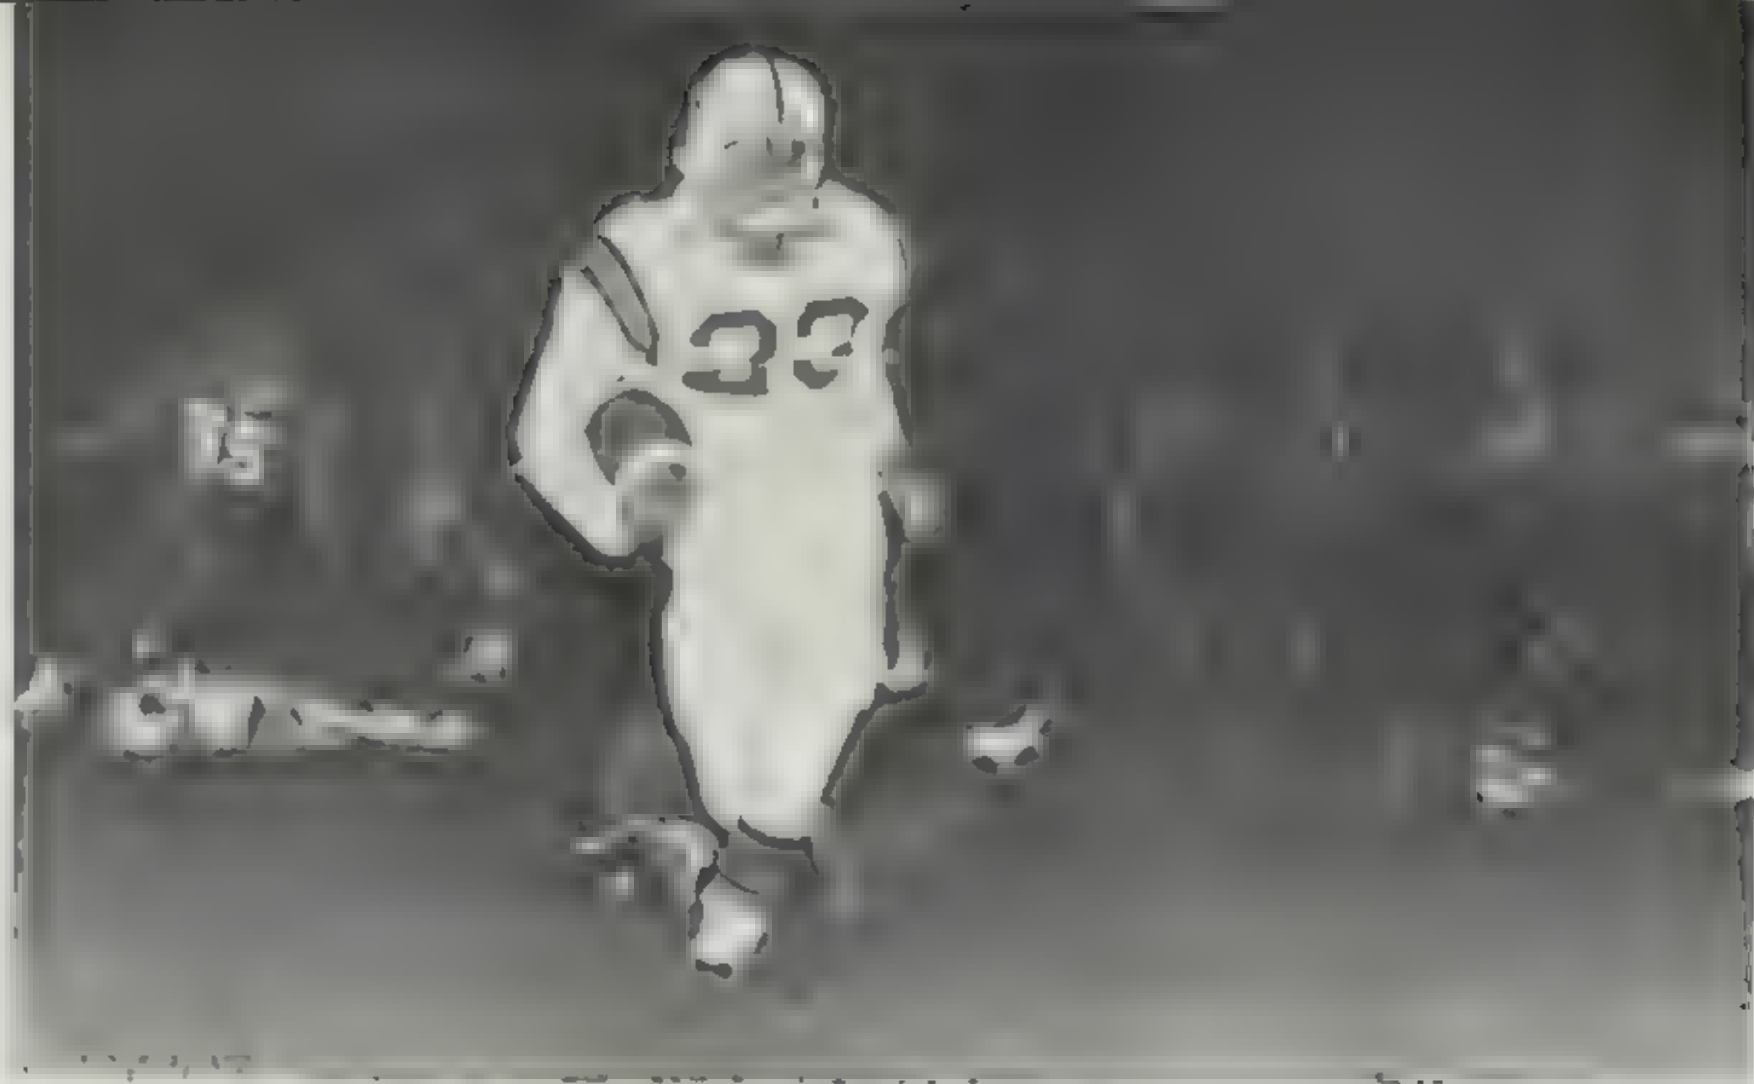

Mark lends a shoulder to a Pointer

No helping hand in this game!

The Bearcats were no match for the Trojans.

Schlutic leaves all the defenders in the dust

Paul and Dave bring down a ball carrier.

"Bird" chugs for that extra few with a few defenders.

The locker room and the sign of victory

And another first and ten

"The Defenders"

Zenkus, Stoffels and Sprick almost got that one

It takes two to tango

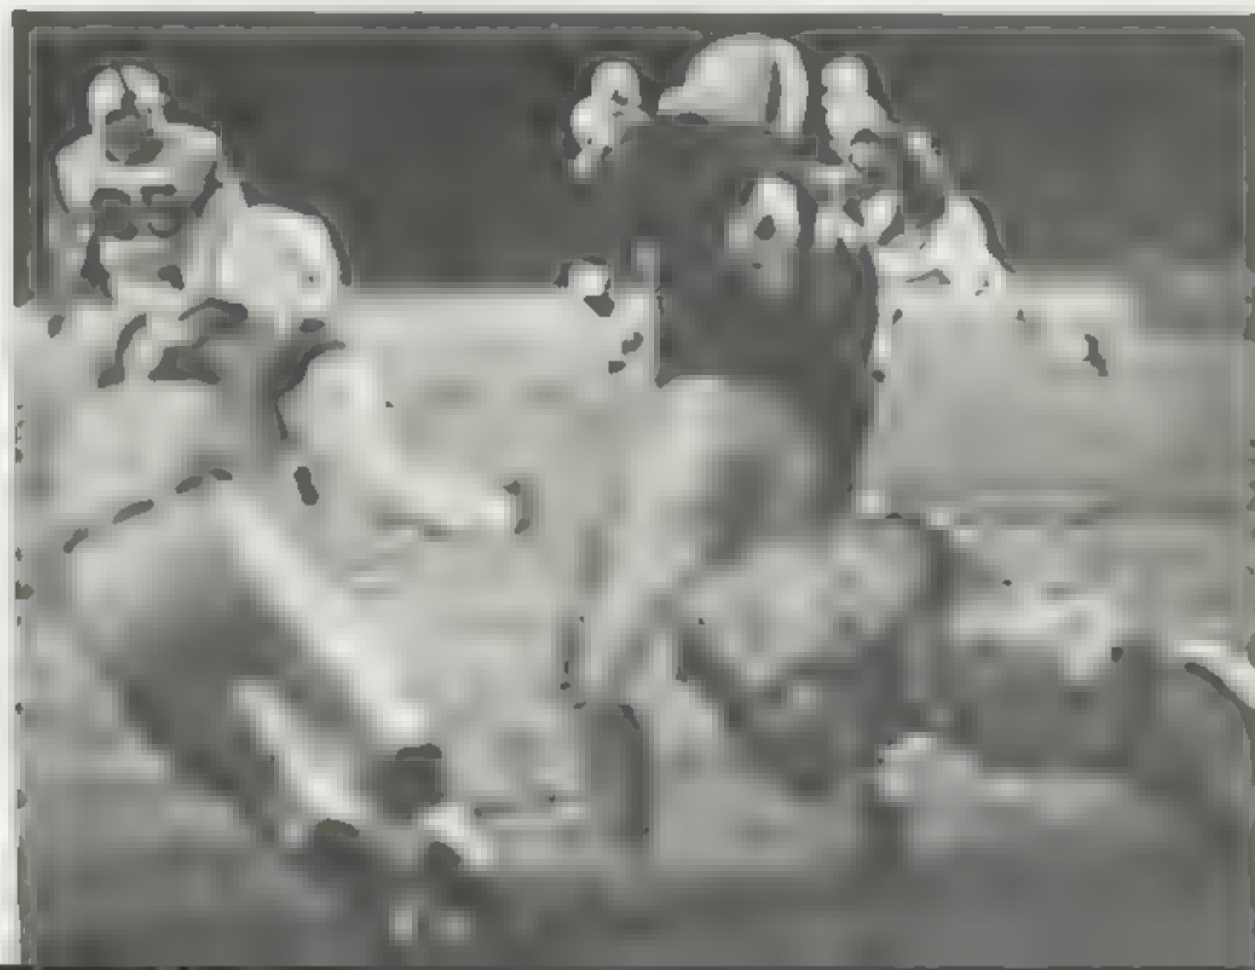

Almost but not quite as Mike goes for six more

This is the end
of a fine drive

Stuffs out around end

Wood closes in
to finish off a
foe as two other
trojans wound

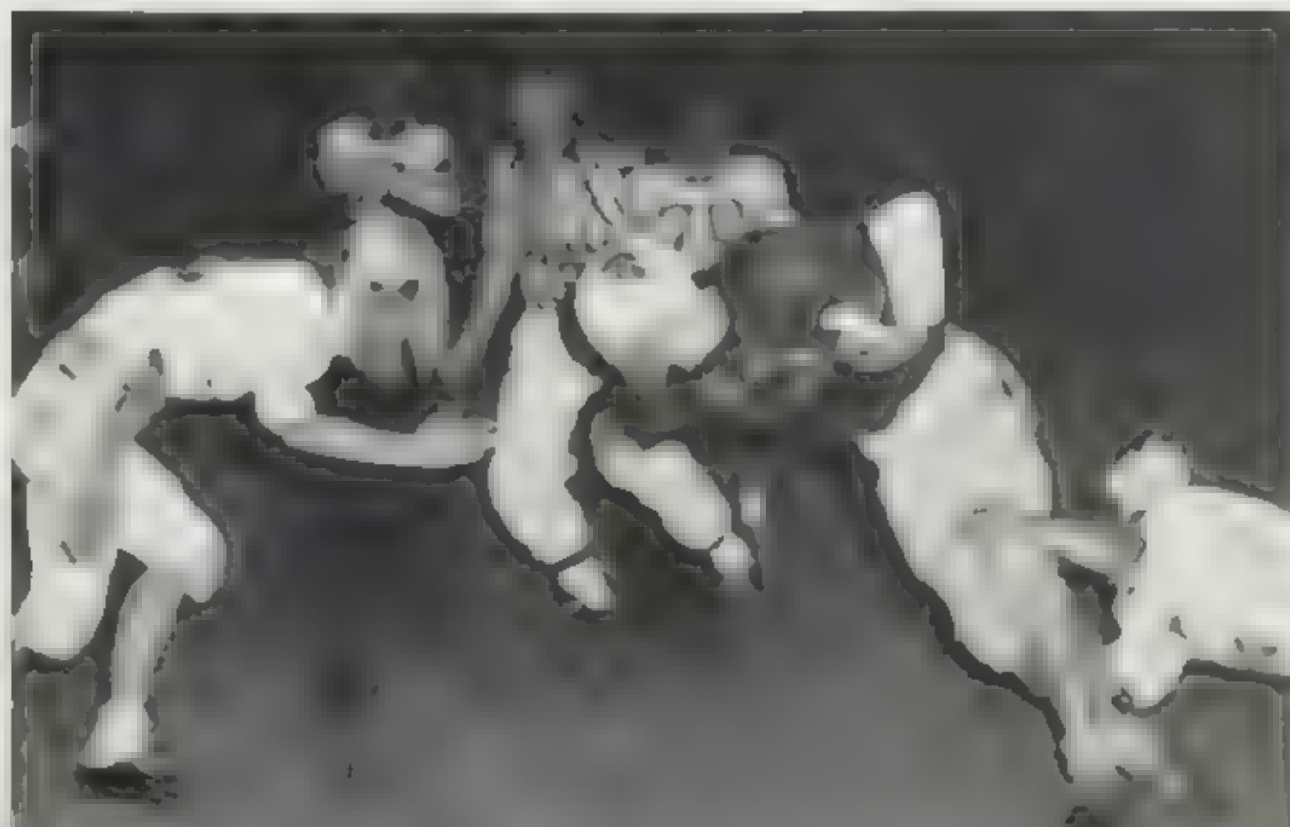

Trojan 1967 "B" Team

Bill slips by a defender.

Those Trojans are tough to get through.

Takes two of them to bring down one of us

Rog goes for another two.

Not high enough

Coach gives the best tips

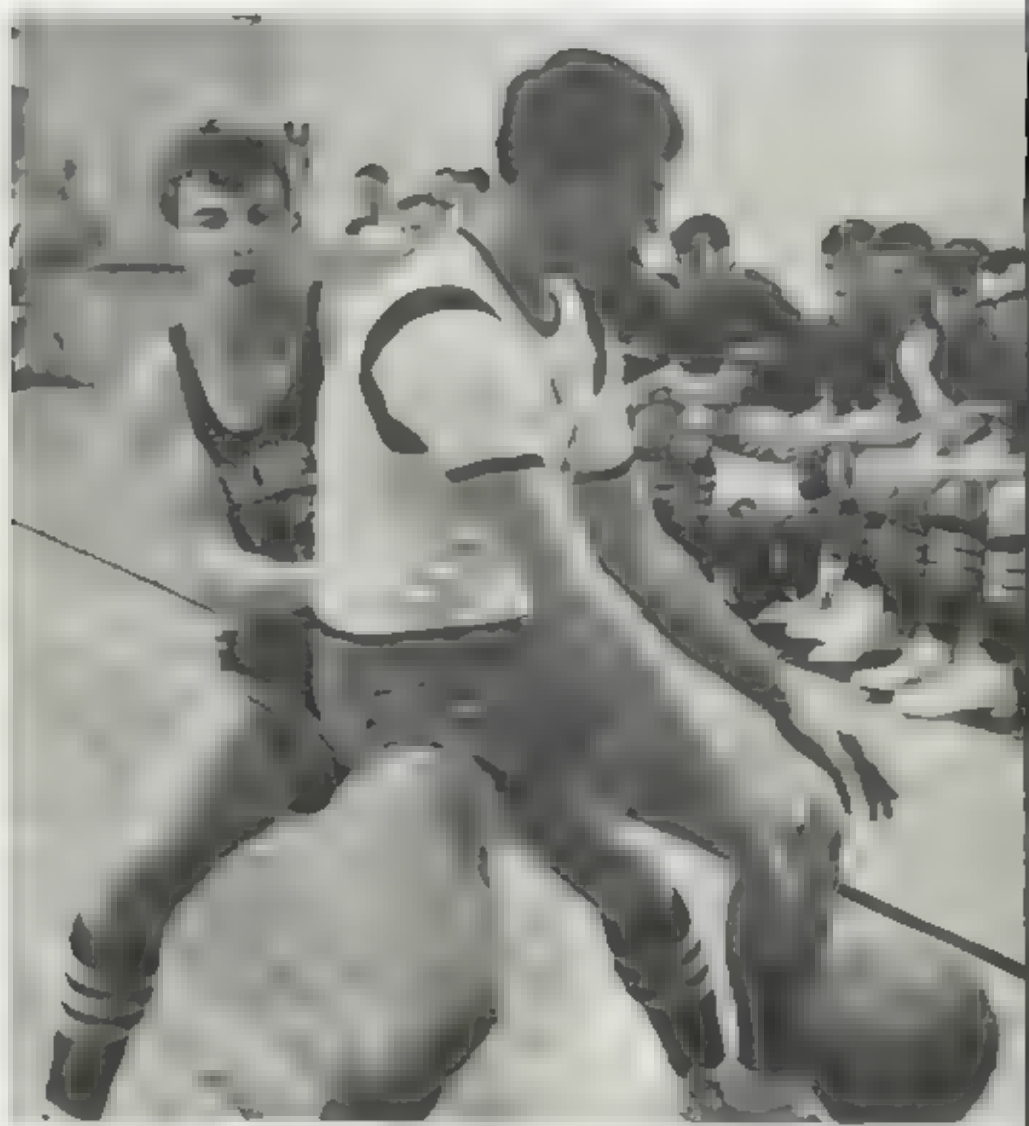

and Mike's up.

Just too much for the Bombers.

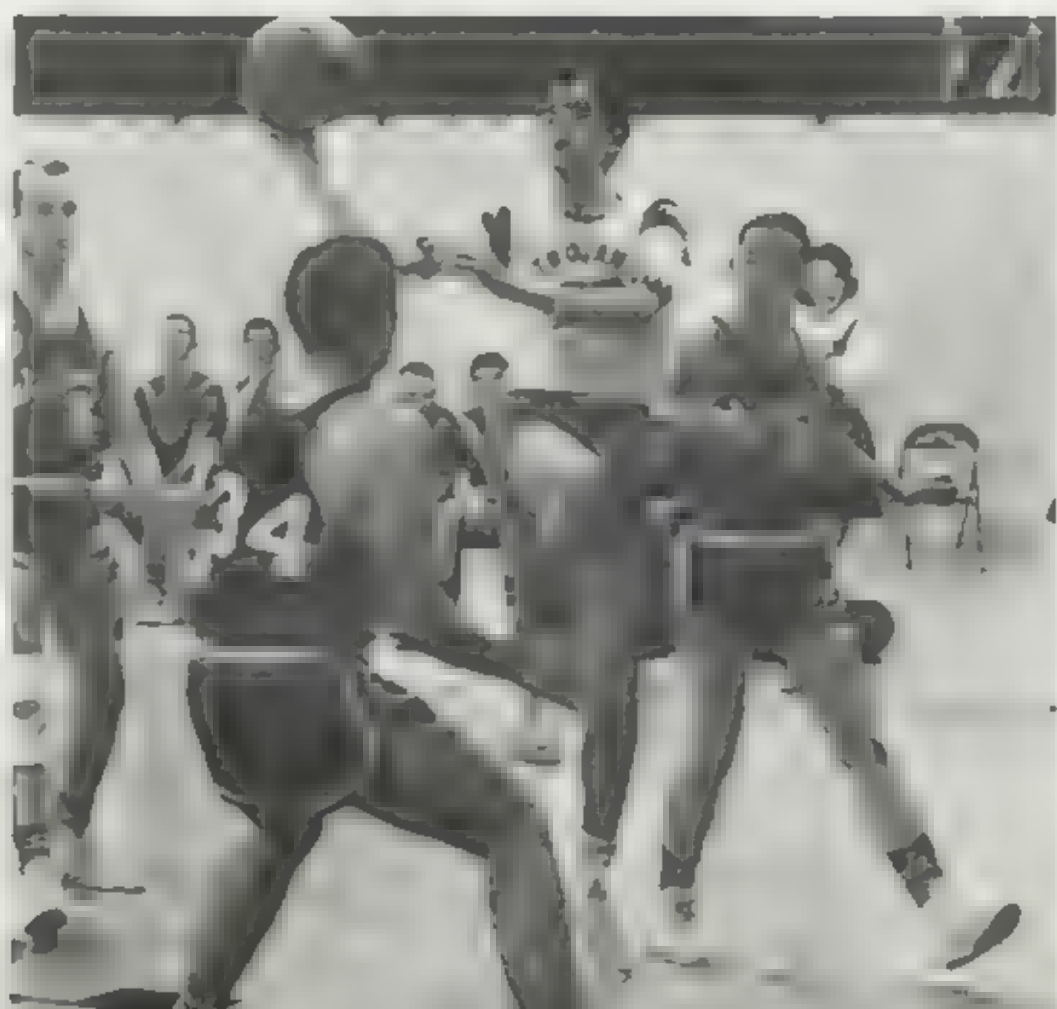

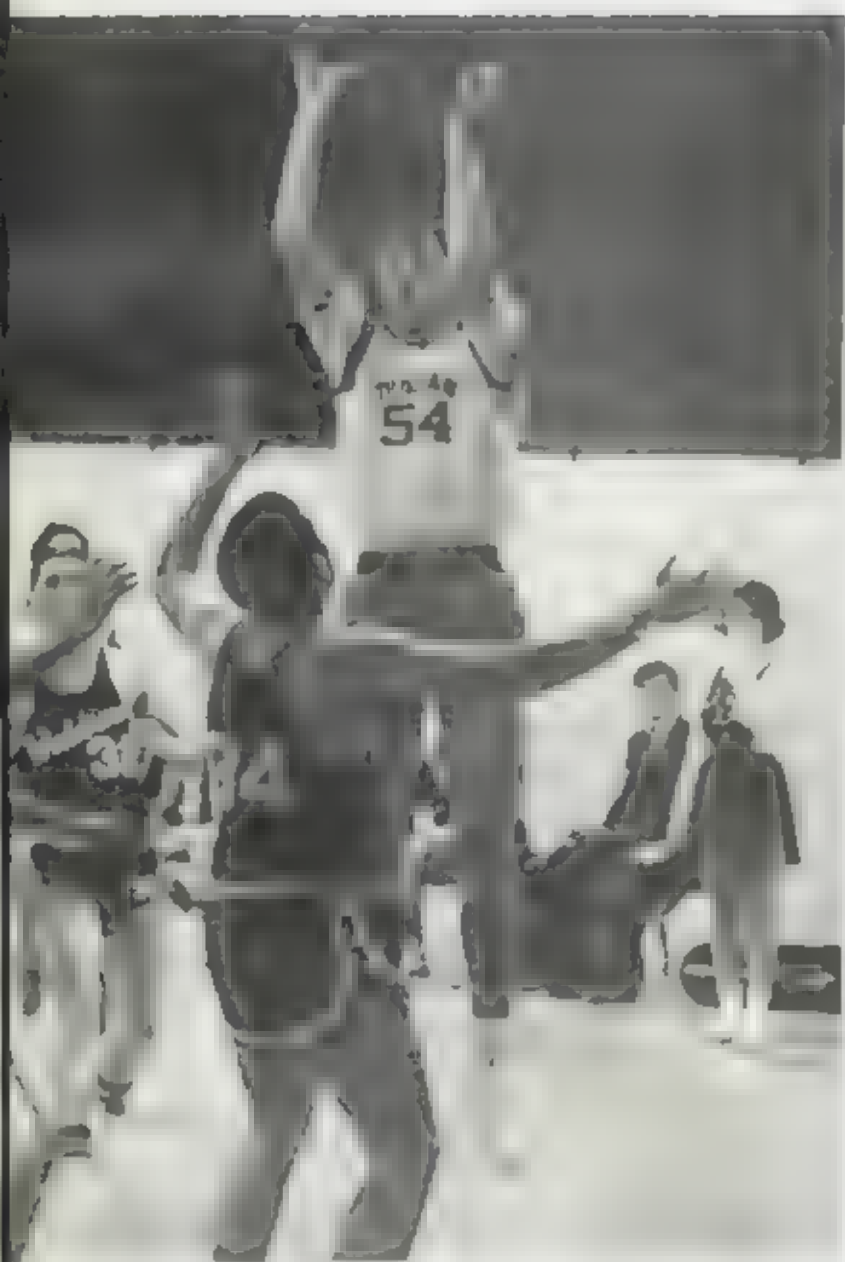

Costello gets it away

Tim got there first

Panos goes in for that
all important lay-up

Dick gets in on the action

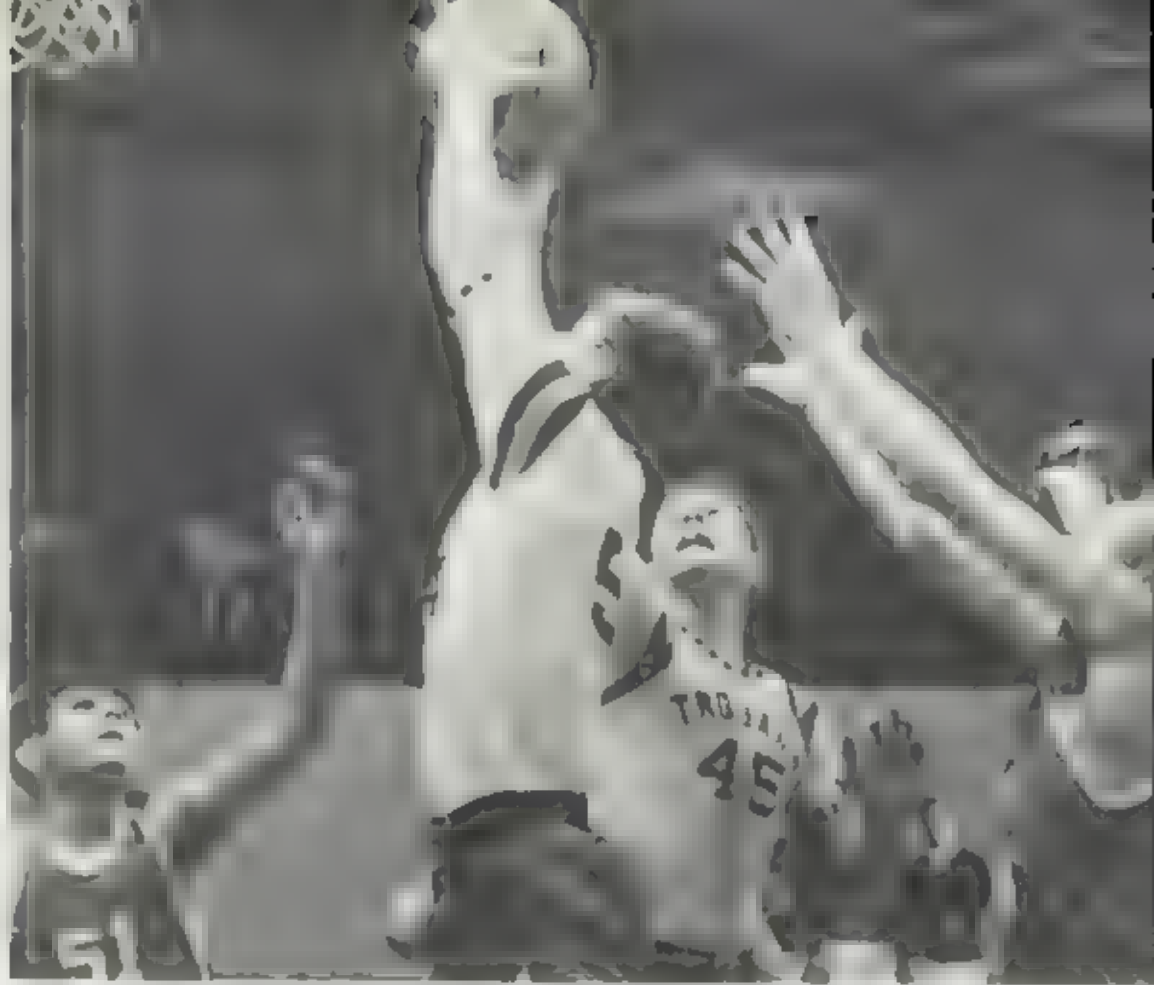

Danny out jumps the offenders

Just can't seem to get high enough

TROJAN 1967-68

Fr. Nick offers some advice.

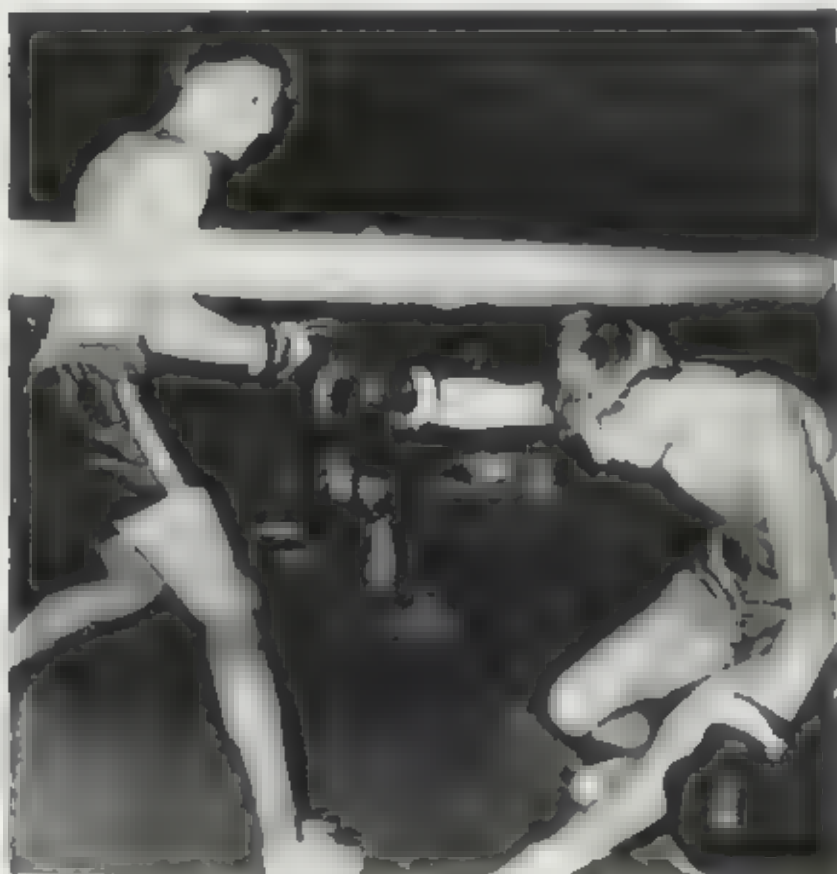

Oscar lets the other guy in on something

Lambird asks, "What's wrong with him?"

Gettin' Ready for the fights

Binz ready to pounce on the prey

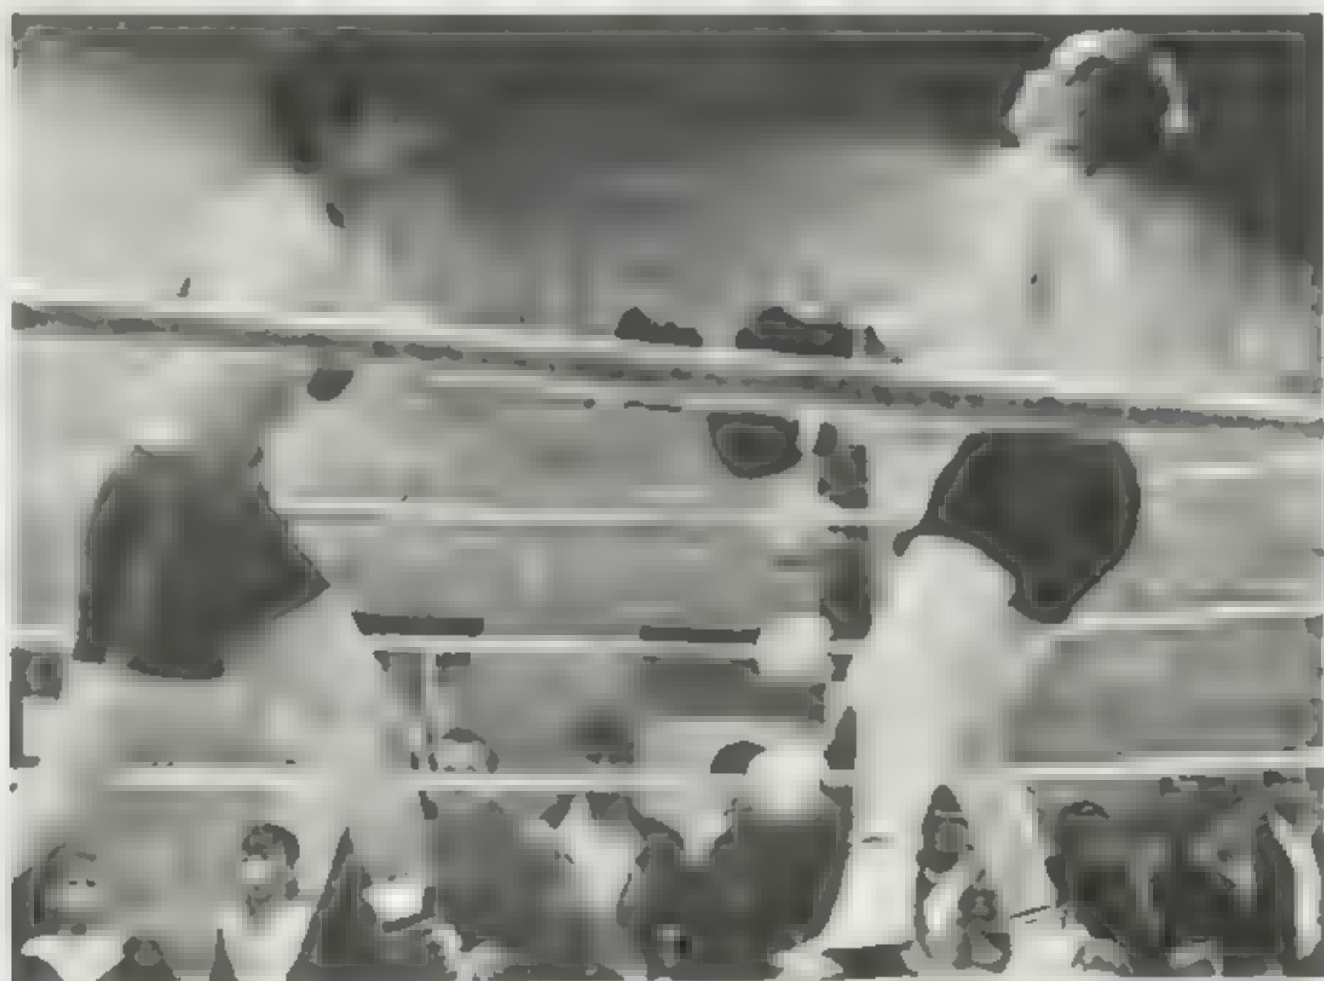

Rufus lays the fav down

Not quite long enough to reach our man, Simpson.

Vince packs a solid right as many of his opponents soon found out

Who should the poor guy listen to, so much advice but no body is willing to get in there

Omar has to show his teeth cause it lets everyone know that the round is about over.

Joe shows the fans that new cold shoulder that he has used so well this year

Larry gets ready to follow through

Steve gives one to the gut as the other looks on

No, you ain't gonna hit me anymore

Rufus gets the orders from the head man

Two Logan County Boys go at it

Well if you can't get him there one way there's always the other

Sister Layden and the girls.

It's surprising to what lengths they'll go.

I may write to you
a couple more times
and generally will be glad to
hear from you. Love
David

Ed, though I am too scared
to draw my own picture, I
am not too scared to write
that I think you being a
nice guy, even nicer than
when you came here. I hope
you continue the process
of trying to make the
best out of human relations
and life as such. Always
Remain in God's Love.
